

I love MY BREAD

Bread, a basic food for most of us and yet it is a real daily pleasure. And it's easily made too! Some flour, some salt and water, it's the perfect recipe for a yummy result!

BREAD, SIMPLE BUT ESSENTIAL FOR EVERYONE!

Whatever its shape, it has many benefits as it contains high levels of:

make a toast TO A CRUNCHY LIFE!

We love it even more when it pops up from the toaster, warm and crusty. Absolutely tasty! But let's see which kind of bread we can toast.
